Pls see below. Based on a response I got from Brian, I think you and I will be accompanying him to a meeting in Collingwood Thursday morning. Brian will give us more details regarding this tomorrow. Based on my discussion with Paul this evening I understand that others were more detailed wrt the type and costs of operational services they would offer Collus Hydro. I expect that we will get more details regarding this when Ed calls to formally invite us in.  
Have a good evening  
John

Brian

I understand that we will likely be "invited" to meet with Ed Houghton and/or his task team Thursday morning and you have agreed to free up your time to do so. I am scheduled to go to the Barrie Chamber of Commerce dinner on Wednesday night and will arrange, as necessary, to stay overnight in that area so that I can join you as you deem necessary for the Thursday meeting. I'm not sure if you want anyone else to go along too. I have been told that Ed will likely call one of us tomorrow around noon to formally ask us to come up.  
Have a good evening  
John
