Gentlemen

To keep you updated, [REDACTED] has received the offer on the Mt. View property for the town frontage required. To move this project forward in a timely fashion the Town has an irrevocable date of next Friday May 18th and a closing date of June 28th (or sooner if at all possible).

These aggressive dates are reflective of the construction season with our plan to demolish the building in July and the reconstruction of the intersection completed by the end of August.

It is my hope that with this information you will understand the importance of quickly progressing with the sale of your property as soon as it may be possible so that this project can be completed during this construction season.

I want to thank you for your understanding and co-operation with this issue and look forward to creating the much needed turning lanes into your development as well onto our complete downtown and to the day we will see that eye sore Mt View demolished.

If I can be of any assistance moving forward please don't hesitate contacting me.

Rick Lloyd
Deputy Mayor
Town of Collingwood
