Employment History with Collus Solutions and the Town of Collingwood

- 2. I was first employed as an Engineering Technologist by Collus Solutions in 2000. I was subsequently promoted to the position of Manager of Engineering Services. I always worked only for the Town of Collingwood, although I was paid by Collus. I did not provide any services to the Collus entities.
- 3. In or about 2014, I was promoted to the position of Director of Engineering and Public Works and, in that role, was employed directly by the Town.

Knowledge of Working Relationship with Ed Houghton and Kim Wingrove

- 4. During the period between 2010 and 2012, I reported to Mr. Houghton. I understood that Mr. Houghton reported to Ms. Wingrove in his role as the Executive Director of Public Works.
- 5. I rarely attended Department Head meetings.
- 6. I did not know how Mr. Houghton reported to Ms. Wingrove.
- 7. I attended approximately 6-10 meetings per year with Mr. Houghton and Ms. Wingrove in Ms. Wingrove's office. Their interactions seemed business-like. I was not aware of any tension between them.
