Patrick:

I have been asked by a member of Council to get a "rough" estimate for the installation of two fabric buildings. Can we discuss this?

Thanks.....Ed

Subject: Pat Mills: Meeting with Ed Houghton to discuss the Central Park Redevelopment Project

Pam,

In your last email you suggested I contact you after the June 11th Council Meeting to set up a meeting with the Central Park Redevelopment team. I welcome that opportunity and look forward to meeting in the near future. It is understood that discussions are still ongoing. Although the final decision\ direction has not been determined it seems appropriate to find out how Sprung Buildings might be a "Better Way to Build." Our hockey arenas are endorsed by Hockey Canada and we have constructed 12,000 buildings in 95 countries. Budget will be a key consideration and it will be wonderful if your community will be able to build a fabulous facility and still come in under the initial budget. We will be able to help!

Please let me know when there might be a good time to meet. More than one date will be helpful and we will also be willing to meet in Toronto if that is more convenient.

I hope you are well and look forward to your reply.

With thanks,
 Kind regards,
 Ed
