Hi guys:

I just got off the line with Sprung BLT and was talking to them about their pricing. They finally have all of the prices and I wanted to let you know what form I have asked them to provide to us.

I have asked for a price for the (wo buildings which would include the mezzanine in the arena but an option price for one in the pool. I have asked for a price for the non-building items that are the same for all applications such as zamboni, drop down score board, big screen tv's etc. I have then asked for a total turn key price for both buildings and the non-building items.

I have no clue what the price is because I didn't want them to tell me until it is in the form we want.

Finally, I have asked them to prepare a presentation for Monday night that will take place after the other delegations are complete.

Let me know if this meets with your approval.

Thanks.....Ed
